

QuizMaster Console

software Preregistration

Thank you for your interest in the QuizMaster Console Software!

In order for your software to be installed you must take the following steps:

For *Windows 2000 & XP* users:

1. Click on the link "Click here to Download Pre-registration Application".
2. Click on Run. (Note: On some computers a security pop-up box may be displayed. If this happens, just click on Run. A black box will pop-up and disappear.)
3. After you have executed BBOWLPreReg_V3.exe, a file called BBOWLReg.txt.pgp will be placed on your desktop. Please attach this file to an email and send it to **QuizMaster.Systems@yahoo.com**.
4. After this file has been received along with payment, your software will arrive in your email.

--- WARNING ---

For *Windows Vista* Users:

1. Before clicking on the link "Click here to Download Preregistration Application" you will need to open the Control Panel and then open User Accounts and Family Safety, then open User Accounts. Click on Turn User Account Control on or off. Uncheck the box that says Use User Account Control (UAC) to help protect your computer.

You will need to restart your computer.

2. Continue with the directions above for *Windows 2000 & XP* users.
3. After you have completed installation, you will need to recheck the Use User Account Control (UAC) to help protect your computer option and restart your computer.

Thank you again for your interest in the QuizMaster Console software for Bible Bowl and may God bless you!
